MESSAGE FROM THE CHAIRMAN, BOARD OF DIRECTORS

Dear Friends of Family Promise,

2009 was an exciting and significant year of expansion at Family Promise. We purchased our own 8-unit apartment building, moved our operations and Family Center, and remodeled six affordable apartments for families transitioning from homelessness to independence. By the end of the year, four families had already graduated from our transitional housing program to their own apartments and are once again independent of our support. We are so proud for these successful families, for they are the embodiment of our mission - to help homeless families realize their full potential and become self-sufficient.

The Board of Directors of Family Promise is looking forward to even more accomplishments in 2010 and has set new goals. Among these are to build an outdoor gathering space and play yard with shade, and to add additional coaching and life skills training for the families.

We couldn't accomplish all we do without the help of so many of you who generously contribute and volunteer your time and skills. We are so grateful to those of you who have helped us expand our program over the past year. Because of the economy and high unemployment, there are so many families that need our collective help. We hope this Annual Report will help you see how you have made a difference. Thanks for your support of Family Promise!
